Communication across the Curriculum

Four Goals of the Program (“Support Faculty to”)

1. PROFICIENCY: Help students develop effective communication skills
2. EFFICIENCY: Help students practice communication skills that produce a more efficient manner of learning

CxC at NJCU

Communication across the Curriculum

Four Goals of the Program (“Support Faculty to”)

3. **CONTEXTUAL COMPETENCE:** Help students understand and apply the modes and forms of communication appropriate to their professions and communities
4. **ENGAGEMENT AND RETENTION:** Create an engaging extensive-communication classroom that can affect student retention and graduation rates
