## PRESS RELEASE

**Tuesday, November 19th @ 7:00 PM**

**Guest: Dr. Sue Henderson,**

**Subject: Cultivating Young Minds for the Next Evolution**

Sue Henderson, Ph.D., has served as president of New Jersey City University (NJCU) since August 2012. In that capacity, she is responsible for advancing the mission of an exceptionally diverse institution that provides unparalleled opportunities and transformational experiences for its students. She works with a dynamic faculty and staff who challenge students to achieve scholarly excellence, professional competence, and personal growth in the pursuit of meaningful careers and lives as productive global citizens.

Dr. Henderson holds a Ph.D. in Higher Education from the Institute of Higher Education at the University Of Georgia (UGA) as well as undergraduate and master's degrees in math education from Georgia State University

In New Jersey, Dr. Henderson was appointed to the Task Force on the Alignment of Higher Education Programs and Workforce Development and she co-chairs the Hudson County Alliance for Action. She is a member of the Board of Directors of the Hudson County Chamber of Commerce and of the Board of Directors of NJEdge.net, a research and education network. Recently, Dr. Henderson was appointed co-chair of the Hudson County Vicinage Advisory Committee on Minority Concerns.

Dr. Henderson can be reached at (201) 200-3111 & [president@njcu.edu](mailto:president@njcu.edu) and visit at [NJCU](http://NJCU)

Join Ronald and guest Dr. Henderson on Tuesday November 19<sup>th</sup> at 7:00 PM to learn and craft your mind for the next evolution.

Identifying Intangible Assets in Producing Tangible Results
